When discussing the billing of lounge items:

Hosted – by hosting the reception, the wedding party covers the cost of beer, wine, champagne, punch and all cocktails ordered by the guests.

Partially Hosted – The wedding party determines the amount and type of items provided for questions: beer, wine, cocktails, champagne and punch.

No host – Guests would be responsible for paying for any beverage they order from the bar.

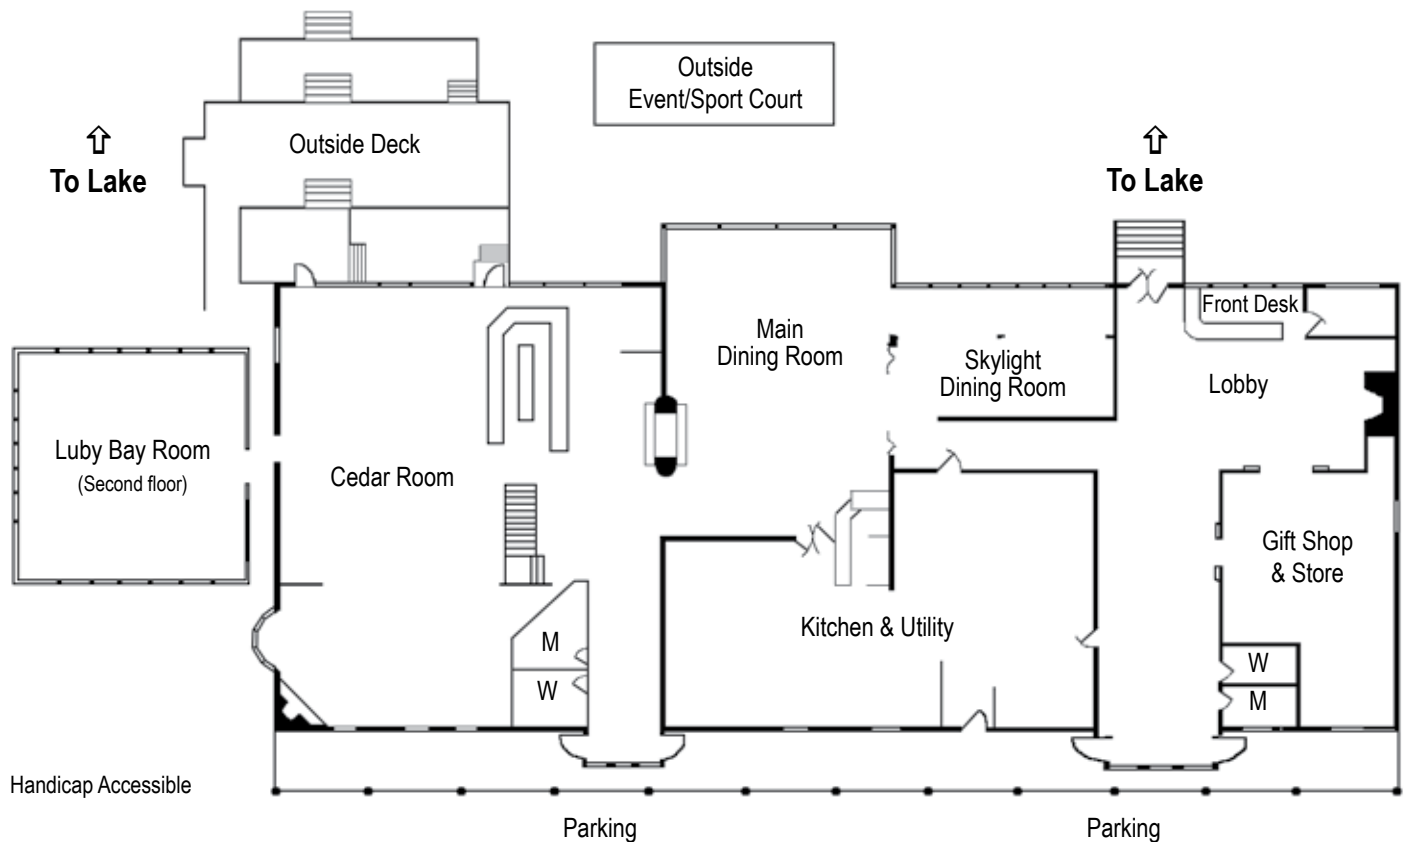

Bottled wine and champagne are the only beverages the wedding party may bring in. The corkage fee is \$12.50 per bottle.

Wine and champagne may be selected either from Hill's wine list or special ordered. Wine ordered from our list will be charged according to what is opened at the reception. Special ordered wine is charged by the amount ordered before the reception.
